In October 2008, C4, MaRS Landing, the Golden Horseshoe Biosciences Network, and ELORIN will host the **RESEARCH 2 RECEPTOR SERIES 2008** in London, Guelph, Hamilton and Kingston.

The program will include plenary sessions with keynote speakers and thought-provoking panel discussions focusing on functional food and natural health product programs from the discovery side to launching into the market and beyond.

These events will provide a great opportunity to network and interact with key academic and industry leaders.

If you're interested in supporting any or all of the four events, please contact  
**Dr. John Kelly ([john.kelly@marslanding.ca](mailto:john.kelly@marslanding.ca)) at 519-824-4120 x56604.**
